Bus "Buzz"™

We are introducing you to the Carolina Thomas Bus "Buzz"™. This is an information source specifically for North Carolina Customers. We will use this avenue to communicate product and company information to you. We will include product enhancements, service tips and other topics that may be of interest to you. Our goal is to keep you better informed and to try and make your job easier.

Please meet "Buzz". He is a character to say the least. "Buzz" has a lot to say and will be doing his talking through the Carolina Thomas Bus "Buzz" forum. "Buzz" sports his flattop hairstyle, a riveted T-shirt, and mud-and-snow treaded steel-toed work boots. He listens to everything customers say, and then he strives to make their wishes come true. He always works hard to answer their questions. Buzz has been in the school bus business so long that it is really all he knows or cares about. Like Carolina Thomas, buses and our customers that use them are all that are important to Buzz.

Please watch for "Buzz". When you see something from him you will know that we at Carolina Thomas are trying to pass along a tip to make your jobs easier. Please help "Buzz" in getting this information to your service and parts staff so they are informed.

We have provided in color so that you can hang Buzz up in your transportation area. Without further ado, Buzz from Carolina Thomas!
