# Measure Your Return on a Church Bus Investment

*Are you trying to decide if purchasing a new or used bus is the right decision for your church? Take a look at the returns you can expect during the typical life cycle of a 14-passenger church bus from Carolina Thomas.*

**105**
teens served others on 7 summer mission trips

**11**
soda and coffee stains prevented by Scotchgard™ on seats

**17**
youth conferences attended, resulting in new believers and renewed faith

**255**
overnight bags stored in luggage racks

**84**
senior day trips. Wheelchair placements and a lift allowed all seniors to attend

**48**
young adults rebuilt

**3**
houses for families in need

**90**
community elementary children learned about God at

**7** Vacation Bible Schools

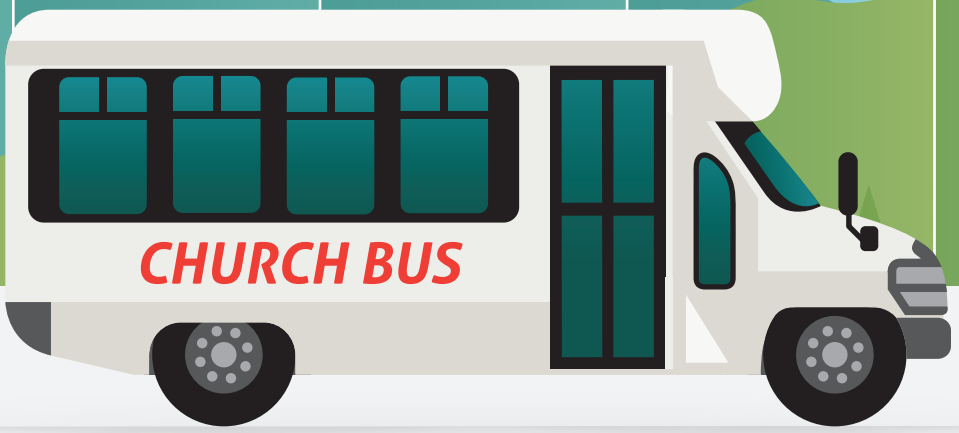
More than

**40**
new members found your church through custom bus graphics

**36**
hours of staff time saved with Carolina Thomas mobile service & repair

**$17,780**
saved on van rental fees

**$2,400**
saved with Carolina Thomas through a custom financing solution



*These numbers are based on our 20+ years of experience working with churches across North Carolina. While results may vary, we believe many churches can expect to see similar returns after purchasing a church bus from Carolina Thomas.*
